

ACCESS CANADA NEWS RELEASE

DYNAMIC CARD SOLUTIONS – ARMNET INTERFACE ANNOUNCEMENT

February 1, 2008, Toronto, Ontario: Access Canada is pleased to announce it has finalized interfacing with Dynamic Card Solutions, a company specializing in instant issuance and PIN selection solutions for Banks, Credit

Unions, Trust Companies and other retailers. Dynamic Card Solutions is the leading instant issuance provider for Visa® and MasterCard® credit cards as well as ATM debit cards in the United

States. The company offers fully integrated solutions that allow financial institutions and retailers to quickly and securely issue ATM, debit and credit cards instantly at branch locations using only white card stock. The solution provides issuers the ability to choose the color and style of the card (i.e. Gold or Platinum Credit Cards) and provide full personalization to issue them immediately in their structure. This allows financial institutions the ability to change their corporate image on card production easily and target new and innovative card products in different customer segments.

For further information on Dynamic Card Solutions and its products and services or to arrange a demonstration of the CardWizard™ solution please contact Spencer Clark, Director International Markets.
