AXCESS CANADA STRATEGIC PARTNERSHIP ANNOUNCEMENT WITH SILVER BARREL SOLUTIONS

September 17, 2008 Victoria, British Columbia: Access Canada is pleased to announce a strategic partnership with Silver Barrel Solutions (www.silverbarrel.com), a graphic design and web development firm based in Victoria, BC. Silver Barrel's capability to produce world class print and web design that is truly innovative for a large number of Canadian companies was a key driver in their selection.

In keeping with this we are also pleased to announce that Silver Barrel Solutions has been awarded the contract to develop the graphical interface look and feel for ARMnet's web portal we will be integrating into the MoneyIQ (www.moneyiq.ca) corporate web site and portal using our ARMnet Integrated Financial Product Management Solution. As Canada's newest Business Process Outsourcing (BPO) firm, their new corporate image will provide a compelling view for clients and prospective clients looking for innovative technology solutions for their firms loan origination and loan servicing needs. MoneyIQ commences its official launch on October 6th, 2008.
